

# Sylvester and the Magic Pebble

In the story at the beginning Sylvester wanted to get away from a hungry lion but he panicked and wished he was a rock. So since he was a rock he couldn't touch the magic pebble. Then his family started to worry. They asked the neighbors, police to help look for him. Finally his family came out to Strawberry Hill to have a picnic to cheer up and father found the pebble and Sylvester wished he was back to normal. The family was back together!

I wish  
I was a rock
